

# FryMaster FISH & CHIPS

**A GREAT BRITISH TRADITION...** For My Family, Fish & Chips began back in the 1930's. It was Great Aunt Eliza who came to Sheffield and opened our family's first Fish & Chip shop, using a combination of Lincolnshire potatoes, Icelandic Cod and beef dripping together with a "special" recipe batter which has been passed down through the family generation to generation. I am proud to say that we still cook our Fish & Chips the same way Great Aunt Eliza did all those years ago, helping to keep it ... **A GREAT FAMILY TRADITION**

**Over the years our family has had many Fish & Chip shops.  
How many of these can you remember?**
